

*Thank You,*  
**TAYLOR & TRAVIS**

**“We are extremely grateful to Taylor and Travis for their incredible support of Answer the Call.**

Their extraordinary donation will ensure that we can continue to provide much-needed financial assistance to the families of New York City’s fallen first responders. We thank them for their kindness, their generosity, and for their fulfillment of our collective promise to Never Forget.

Because of their support, our families will continue to receive the care and assistance they deserve, and they will never have to walk this journey alone.”

*With gratitude,*
