ATC HAPPENINGS

Key updates, milestones, and news from the charity

United Airlines NYC Half Marathon Recap

We are beyond grateful to our amazing team of runners who took on the NYRR United Airlines NYC Half on Sunday, March 15 in support of our mission! Because of their commitment, Team Answer the Call raised more than \$16,000! These funds will directly help us support the families we serve. If you are interested in running on our 2027 team, please email us at run@answerthecall.org!

Connecting with local Long Island ATC Families

On Friday, March 6, some of the families we serve joined us for a joyful Paint & Sip brunch in Rockville Centre, NY. This gathering was part of our ongoing effort to host more local beneficiary events, creating meaningful moments of connection, spending quality time in their communities, and learning how we can best support them. If you have a recommendation for a gathering location, email staff@answerthecall.org.

ATC MISSION MOMENT

Celebrating milestones that reflect lasting impact

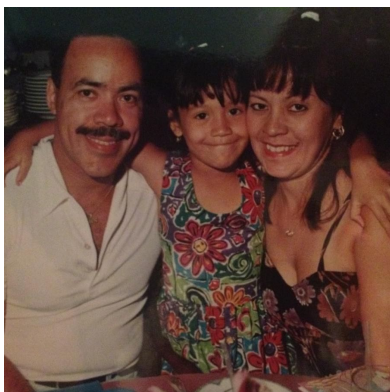

A Full Circle Valentine's Day Story

Last year on our [social media platforms for Valentine's Day](#), we honored the love story of Carmen Suarez and NYPD Police Officer Ramon "Ray" Suarez who made the ultimate sacrifice on September 11, 2001. This past Valentine's Day, we celebrated their daughter, NYPD Detective Jillian Suarez, on her recent engagement to her fiancé, Deondre.

Answer the Call stands with the families of our fallen heroes, and moments like these remind us of the love and hope that carry their legacy forward.

Congratulations, Jillian and Deondre on this exciting new chapter, and thank you to our supporters for Answering the Call!

WITH GRATITUDE

Recognizing the partners whose generosity and support make our work possible

ATC Families Attend NY Knicks Game

Thank you to our friends at the Garden of Dreams Foundation for donating a suite at Madison Square Garden for the New York Knicks vs. Detroit Pistons game on February 19th to the families we serve. We're grateful for your support in creating such a memorable experience for the family members who attended!
